

## The SFPC Courier Newsletter Survey

The Fellowship Committee is currently conducting a survey concerning the Newsletter to make sure it is a "must read" communication for SFPC's members and friends. The survey consists of the following four questions:

- 1.) Do you read the weekly newsletter? Circle one: Yes No
- 2) If you read the newsletter, how often on average do you read it? Please circle one:  
Once Twice Three Four (times a month) Four times a month means once a week.
- 3) If you don't read the newsletter, please tell us why.
- 4) If you don't read the newsletter, what method (s) of communication would you prefer in order to stay informed?

You can fill out the survey by completing the insert in the bulletin on this upcoming Sunday and leaving your completed survey in the pew so the Deacons can collect it, or by sending Cyndy Susan an email containing the answers to questions 1 - 4 above at [cyndysusan.sfpc@gmail.com](mailto:cyndysusan.sfpc@gmail.com). Please only submit one survey per person.

Your completed survey will help ensure that SFPC's Newsletter remains effective in communicating with our members and friends. "Communicating with clarity, purpose, passion and honesty will enable you to serve others in a profound way." Janice Bryant Howroyd

Thank you, Rob Moore, Clerk of Session

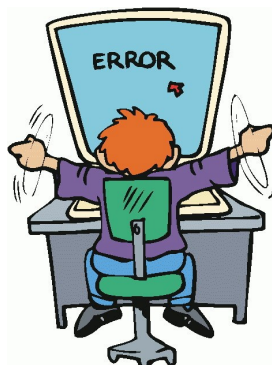

"Kind words can be short and easy to speak, but their echoes are truly endless." Mother Teresa

## Praise the Lord, all the computers are connecting to the Administrative computer!!

The pastor's computer and my office computer are now able to open all the files! McAllen Solutions discovered a failed power source on the Administrative computer and took it to their work bench to service it.

While here, McAllen also checked all of our sound and visual recording equipment, cables, cameras and connections. All are functioning properly and are being operated correctly.

Joseph Schmidt reports, "McAllen learned as in other large school or large government settings, even passive phone connections drain the internet capacity and can cause confusion competing instructions. McAllen believes this is the critical problem causing drop out of internet on Sundays." McAllen has offered a good possible solution which will definitely be looked into.

The end of April marks the beginning of a less stressful time at SFPC for everyone!!

Thank you, Joe, for your perseverance into looking into the computer and what we thought were internet problems. We should also thank Margaret Townsley for the many hours she has spent looking into the problem and for finding training for our sound booth volunteers. They have been properly working the system.

Dear South Frankfort Presbyterian Members,

We appreciate your continuing financial support of the Food Pantry.

In the first quarter of this year we provided a week's worth of food to 1,711 people and 33% of these were children.

Thank you,  
 Food Pantry Volunteers
